# A Clearer View of a Beautiful World

## BenQ LED Monitors

Built with an LED backlight panel to create the 2.1cm slim and elegant stance, the BenQ V2200/V2400 Eco unveils the natural beauty of this world with revolutionary picture quality and preserves it with its eco-friendly features. With the BenQ V2200/V2400 Eco LED monitor, things are certainly lookin' great!

### 5,000,000:1 Ultra-High Dynamic Contrast Ratio

With the performance-steady LEDs, darkened and complex motion pictures are fine-tuned with an optimized dynamic contrast ratio of 5,000,000:1, giving you nothing but the most spectacular image details.

### Senseye® Technology

The Senseye® Technology brings truly splendid colors to your eyes through its six exclusively designed monitor calibration methods. Now you can finally see the world in its true colors!

### Full HD 16:9 1080p Visual Perfection

A Full HD 16:9 1080p resolution means one thing and one thing only – the perfection of uncompressed, crystal clear images with 100% dot-to-dot viewing quality. Now, you can enjoy premium image quality in the comfort of your home or office.

### HDMI 1.3 Multimedia Entertainment

This is the newest version of multiple multimedia interface cable that you can get! By connecting you to game consoles, DVD players, or PCs at a much higher smoother data transfer speed, the HDMI 1.3 brings you a whole lot of digital multimedia fun!

### Save Energy to Save Up

Energy-efficient LED panel cuts power consumption by 36% to save energy and money. With the help of Eco Mode, you can save another 30% of energy!

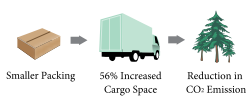

### Protect Water by Eliminating Harmful Toxins

Mercury-free LED panel reduces environmental impact on Earth, keeping water resources free of harmful toxins.

### Save Trees with Green Packing

Packing materials reduced and 80% recycled paper used help save the forests and reduce CO<sub>2</sub> emission.
