To Whom It May Concern:

We are pleased with our POS system supplied by Retail Warehouse. The system has been extremely reliable and has increased accuracy as well as speeding up the time it takes to clear a transaction.

Our business required customisation to the POS software. The ability of Retail Warehouse to provide a customised solution was the key to us selecting them to supply our POS system.

We are very pleased with the business relationship we share with Retail Warehouse. We have found their service to be dependable and friendly.

Kind Regards,
